PROFILE

I am a dedicated and enthusiastic IT student with a passion for web development, artificial intelligence, data structures, algorithms, and programming at large. With a strong academic foundation and a relentless desire to learn, I am eager to contribute my skills and creativity to the dynamic world of technology.

PROJECTS

BLOGGIT

PERSONAL PROJECT

Minimal Blogging Platform

April 2023 - June 2023

Live Website | GitHub

Technology Used: ReactJS, Firebase, Jotai, Chakra UI, Framer Motion

- User Authentication: user registration and login using Firebase authentication.
- Blog Creation: Intuitive blog creation interface with a rich text edit and the ability to add images, links, and format text in blog posts.
- Blog Sharing: Easy sharing of blogs via unique URLs and social media sharing integration for wider reach.
- Real-time Updates: real-time synchronization of blogs and comments using Firebase Realtime Database or Firestore.

FIRST PAGE

PERSONAL PROJECT

Book Exploration Platform

Nov 2023 - Jan 2023

Live Website | GitHub

Technology Used: ReactJS, Supabase, Redux, Vanilla CSS, Framer Motion

- Book Discovery: Utilizes the Google Books API to provide users with an extensive library of books for exploration and discover books by title, author, genre, or keywords.
- User Authentication: user registration and login using Supabase authentication.
- User Reviews and Ratings: View user-generated reviews and ratings to make informed decisions on book selections. Share your own reviews and ratings to contribute to the community.
- Save to Read Later: Easily manage and organize your reading queue.

WORK EXPERIENCE

LetsGrowMore

INTERNSHIP

Web Developer Intern

Dec 2023 - Jan 2023

- Web Application Development: Collaborated with the development team to create responsive and user-friendly web applications using HTML, CSS, and JavaScript. Also, successfully delivered basic but functional applications, enhancing user experience and facilitating key processes within the company.
- Problem Solving and Debugging: Demonstrated strong problem-solving skills by identifying and resolving coding issues efficiently.
- Team Collaboration and Learning: Adapted quickly to new technologies and methodologies, gaining valuable hands-on experience in web development.

HOBBIES

- Playing Badminton
- Sketching
- Listening to music
